ABOUT COGNIZANT

Cognizant is one of the world's leading professional services companies, transforming clients' business, operating and technology models for the Digital era. Our unique industry-based, consultative approach helps clients envision, build and run more innovative and efficient businesses.

COGNIZANT IN SWITZERLAND

When it comes to quality, innovation, size and customer base, Cognizant Switzerland has been among the leading Digital transformation services firms in Switzerland since 2003. By combining our skills in strategy, experience design, industry know-how, and technology knowledge, we are a well recognized partner to our customers on their Digital transformation initiatives. Committed to the Swiss market, Cognizant Switzerland counts today about 1000 employees with offices in Zurich, Baar, St. Gallen and Geneva.

18 MONTHS COGNIZANT GRADUATE PROGRAM

Thrilling and unique learning experience with challenging projects where you can realize your potential.

We are particularly looking for graduates with education and experience in Business / Management with Digital skills along with an entrepreneurial spirit to help clients embrace their Digital Transformation journeys.
