

Job Title: (Visiting) Analyst  
Group: LeadX Capital Partners  
Type: Full time internship  
Location: Munich

### **About LeadX Capital Partners**

LeadX Capital Partners supports fast-growing, technology companies selling innovative products and services in Europe. The firm is focused on the consumer, industry, and healthcare verticals and on specific opportunities relating to digitalisation and sustainability. LeadX is an active investor in the growth capital space and has acquired over 40 years' investment experience, across more than 100 tech-driven transactions, working with a wide range of technology companies. The team partners with entrepreneurs to help them realise their growth ambitions, adding value in areas such as strategy, team building, operations, and financing.

### **Description of the Role:**

The candidate would join LeadX on a full-time internship of a minimum of 3 months as a visiting analyst, starting as soon as possible.

Responsibilities of the candidate will include (but will not necessarily be limited to):

- Researching new investment themes and developing industry expertise;
- Attending industry events and initiating contact with target companies;
- Assisting in due diligence and managing related service providers;
- Carrying out financial modelling relating to business and transactional matters;
- Preparing presentation materials related to current/new transactions and portfolio reporting;
- Supporting in the legal negotiations of new or follow-on investments;

### **Key Competencies and Qualifications Include:**

- Last year of studies or recent graduate (masters' and/or bachelor's degree)
- First-class economics, business, management or science/engineering education;
- Prior internship experience in investment, consulting, banking or related activities;
- Financially numerate with excellent communications skills;
- Ready knowledge of Microsoft Office and financial modelling skills;
- Genuine and demonstrable experience and interest in focus sectors;
- Desire and interest to work with entrepreneurs and in growth capital;
- Self-starter, prepared to work under own initiative;
- English language skills necessary; German (or other European) language skills a plus; and
- EU national or work permit.

This is an opportunity to gain experience in working with a leading firm at the vanguard of capital deployment within technology sector. For those who would like to apply please send a resume and a cover letter to:
